

Dear Fellow Chattooga County Citizens,

We are writing this letter on behalf, of a group of concerned citizens of Chattooga County. If you are unaware back on March 18<sup>th</sup> 2022, Chattooga County commissioner Blake Elsberry signed and instituted a Chattooga County land and development ordinance. This is an 83 page document that we feel needs great revision. We would like to take this opportunity to invite you to a public meeting on September 13, 2022 at 7 P.M. This meeting will take place at the Chattooga County civic center. We have asked the commissioner and board to attend this meeting to answer citizen's questions on the many issues with this ordinance. We hope that you will keep this letter as a reminder to attend this very important meeting and help with public input on this matter. For a copy of this land ordinance please contact the commissioner's office at (706) 857-0700 or visit the website at [www.Chattoogacounty.org](http://www.Chattoogacounty.org).

We sincerely hope to see you there.
